Homestyle meals such as pastas, lasagna, pot roast dinners, turkey dinners, full assortment from restaurant, all able to be accommodated and made to scale inside truck depending on event
(or catered buffet style in large or medium sized pans)

Depending on your event we can mix and match menu items to be served as catered food and then also have some menu options available on the truck. This helps to cut down on long lines and people being starving! And it saves you the trouble of having to go pick up food, salad, etc from other establishments!
